### EXTRA FEES

Extra paper fee - BRACIS proceedings	R\$150,00
Extra paper fee - ENIAC and STIL proceedings	R\$50,00

Registration fees (professional, teacher, graduate or undergraduate student) give access to all BRACIS'2021 conference activities (BRACIS + ENIAC + STIL + KDD-BR).

Registration fees STIL ONLY (professional, teacher, graduate or undergraduate student) give access only to STIL'2021 conference activities.

The category COMBO: Registration + SBC Membership refers to a discounted rate applied when registering to the event and becoming a member of the Brazilian Computer Society (SBC). This modality was created intending to make these two benefits cheaper than purchasing each one separately, being the most advantageous option to whom is not an SBC member yet. More information can be found on the SBC's FAQ page (only in Brazilian Portuguese). Please read the FAQ about the SBC Combo (in Portuguese).

Student fees are available only for those enrolled in a higher education institution as undergraduate or graduate students (Ph. D or Master). Proof of student status containing affiliation, attendee's name, enrollment course, and current date must be shown upon request. Failure to present such a proof document will imply paying the difference for the professional registration category (with no discount) if you wish to attend BRACIS. The student fee does not apply to pos-docs.

### PAYMENTS

Payments can be made by bank ticket, debit and credit cards, note of commitment (nota de empenho), and billing. Bank ticket (boleto) and debit card (cartão de débito) payment can be made up to Nov 25th, 2021.

### PUBLICATION POLICY

Each professional registration covers only one accepted paper in any BRACIS'2021 event. Each teacher or student registration covers only one accepted paper in ENIAC or STIL.

If you have more than one paper accepted, you must pay an extra fee for each one of them, according to the proceedings. For instance, a professional author of 2 papers in BRACIS, 1 in ENIAC, and 1 in STIL must pay 1 Extra paper fee - BRACIS proceedings and 2 Extra paper fee - ENIAC or STIL proceedings.

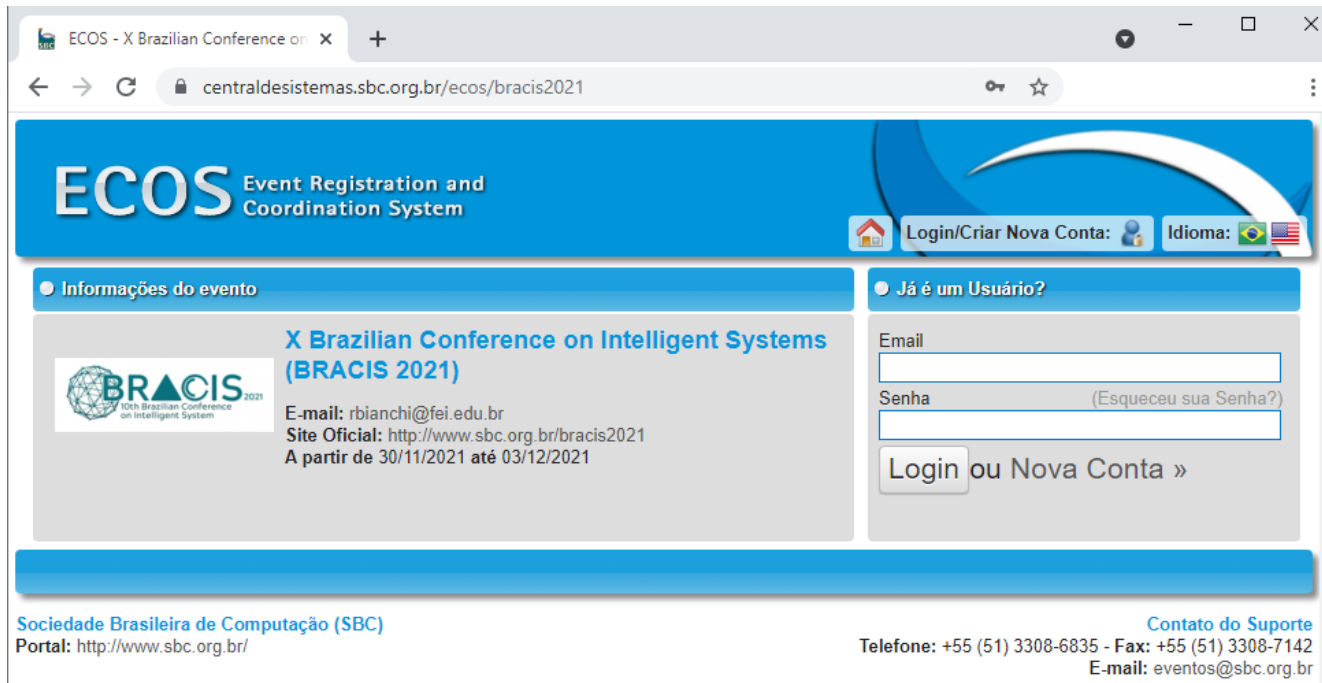

A student author of a paper in BRACIS not covered by a professional registration must pay 1 Paper fee for BRACIS proceedings.

Papers accepted in BRACIS must be registered up to October 1st, 2021 while papers accepted in ENIAC or STIL must be registered up to Oct 8th, 2021

### CANCELATION POLICY

Registrations can be canceled up to November 15th, 2021. Only 70% of the registration fee will be returned. After this date there will be no refund of any amount paid. The policy applies both to the cancellation of registration and to the cancellation of any additional activity.
